Class Reports

Keeping Students Accountable

- Go to MENU/Reports/Class
- Click the Green Dot View if you are not yet in the List View
- Select 'Since Monday' so your data reflects the students interface
- Select 'Manage Metrics' and take out the columns you do not want displayed, eg Maths Age.
- When showing the class we recommend selecting 'Progressions, Tutor Usage, Topic Challenge Usage, Topic Challenge Passed, Green Tick Status and Student Status'.
- One metric that you may wish to look at without displaying is 'Minutes per Progression'. On average it takes 10-14 mins per learning progression (blue) so it may alert you to students who are struggling or off task - you know your students, the data just gives you information.
- Display this screen and encourage all students to gain 4 Learning Progressions (Blue - New Learning before going anywhere, and then 4 Red Challenges by Friday every week.
- Encourage them to gain their Blue Gem every week to move from a Rookie to a Superstar in 8 weeks.
- Encourage them to gain their Blue and Red Gem every week to get into the Hall of Fame! This can be monitored on the Class Home Screen where you can send them a message and a sticker every Friday.

	Progressions (/week)	Tutor Usage (mins/week)	Topic Challenge Usage (mins/week)	Topic Challenges Passed	Green Tick Status	Student Status
Class average	2.4	24	7	2/2	56%	
Koda P	4	40	2	2/2	✓	Superstar
Kenai P	4	38	4	2/2	✓	Superstar
Kalani P	4	39	6	2/2	✓	Superstar
Chrissy P	4	40	0	0/0	✓	Superstar
Zoe D	4	29	14	4/4	✓	Master
Toby D	4	27	17	4/4	✓	Superstar
Abigail B	4	18	21	5/5	✓	Master
Felix D	3	69	14	4/4	✓	Superstar
India-Rose C	3	22	6	1/1	✓	Pro
Naomi B	2	42	17	5/5	?	Pro
Kaiarahi T	0	0	0	0/0	✗	Rookie
Nuku S	0	0	0	0/0	✗	Rookie
